Mr. Electric of Reno is happy to announce that Jim Cerny has joined our team as a Service Advisor.

(Sparks, Nev.) – 06/22/11 – Mr. Electric of Reno is happy to announce that Jim Cerny has joined our team as a Service Advisor. Jim has over 27 years of experience in the electrical industry and has lived in the Reno/Sparks area for 22 years. Jim comes from Longmont, Colorado where he started his electrical career.

Jim and his wife along with their three children have three horses, three dogs, two hamsters and one slightly lonely rabbit. They enjoy the outdoors and the unpredictable, ever-changing Nevada weather.

"We're extremely pleased to have Jim with his years of experience and expertise in customer service as addition to our team," Bob Lord, President of Mr. Electric of Reno, said.

About Mr. Electric of Reno

For over 27 years, Bob and Leslie Lord's electrical companies have been providing electrical service to the Reno, Sparks and Carson City communities. Mr. Electric began in 1996 with concentration on home repair and enhancement. By 2000, the company shifted exclusively to the commercial and residential services area, with an emphasis on providing exceptional customer service.

Mr. Electric is the only nationwide electrical service and repair company in America and is a part of the Dwyer Group, headquartered in Waco, Texas. For more information, please visit mrelectricreno.com.
